TV and Half-Height Storage

This is the ideal space for your TV. The TV can be placed on a half-height storage since there is ample storage in the Home Office corner.

The Kitchen

Most small homes have a highly compromised kitchen, but our family homes have a full-fledged kitchen. The kitchen has been designed in such a way that all modern appliances like a fridge, stove, oven and microwave can fit in this space.

Home Office & Main Storage

This space is perfect for 2 things: you can have a home office here and still have space for 2 large cupboards.

Dedicated Dining Space

This is the perfect place for a dining table for 4.

Extra Storage Corner

More storage always helps! A full height storage here is perfect for shared storage items like home linens and shoes.
